REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The specification is as complete as reasonably possible. In view of Applicant's statement on the declaration filed with the instant U.S. Plant Patent application, April 13, 2004, any publications that may have risen from the application(s) for Plant Breeder's Right, also set forth on Applicant's declaration filed with the instant U.S. Plant Patent application, April 13, 2004, would not be enabling. Therefore, a proper rejection under 35 U.S.C. § 102(b) cannot be made.

No publication date is listed on Plant Varieties Journal Vol. 16, Number 1; however, the publisher has indicated via e-mail that the publication date was May 16, 2003, less than one year prior to the instant application for patent.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
